

Battery Replacement Program

393-7505

Smoke Detectors Save Lives

What?: Smoke Detector Battery Replacement Program

Who: Green Valley Fire Corps Volunteers

Where?: Throughout the Green Valley Fire District

When: You call us and make an appointment and Fire Corps will come to your house and change all of your smoke detector batteries once a year

How Much?: \$15 annually no matter how many detectors you have in your house!

Why?: Because a smoke detector can save your life and that of your family and your pets!

Please Note: Does not include replacing smoke detectors, moving furniture or advice on electrical wiring!
