

GREEN VALLEY FIRE DISTRICT RESIDENTIAL LOCKBOX

Residences in the Green Valley Fire District now have the opportunity to have a choice in residential lockboxes.

In addition to the *Supre Max* (cost: \$103.81 and ordered directly from GE by the homeowner) the smaller *Supre Titan* can now be purchased directly from the Fire District Prevention Office for \$50.00 per box.

The *Supre Titan* is manufactured by the same company and uses the same key system. The difference is that the *Titan* is smaller in size and less expensive to purchase.

The installation fee is \$25.00, if done by the Fire District. Payment can be made by cash or check payable to GVFD.
